Cost: \$200 plus
Nonrefundable
\$25 deposit

Send deposit and
application to address
below

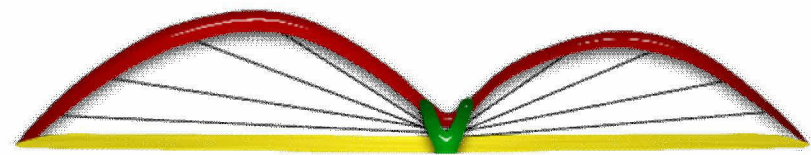

June 17-24, 2013
9:-00-3:00

Ages 4-22

SUMMER CAMP

Join us in the pottery studio at The Bridge for a fun time with clay. Campers will learn different types of pottery and will be able to make several items to take home. Parents will have to come back for finished products after the clay has dried and been fired. Campers will also enjoy games, outdoor activities, and more. Put your child in some old clothes and send them to The Bridge where they will make “More the Mudpies” and have a great time with friends. Campers bring their own lunches. Check out our website for more information.

The Bridge of Georgia

Center for Ability Development

Camps at The Bridge always reserve some spaces for
children with special needs.
